

Project management

Project dashboard

The following scenarios to open the Project dashboard available:

- Header > [Organization name] > **Projects** tile > Select a project > **Actions** button > **Dashboard**;
- Header > **Projects** tab > **Projects** page > Select a project > **Actions** button > **Dashboard**.

Apptimized shows the following screen when successful:

The screenshot displays the Apptimized Project dashboard. At the top, there is a navigation bar with the Apptimized logo, a breadcrumb trail (Test Organization > SafeBoxes > Users > Projects > Settings > Reports), and user information (Test Account, Logout). Below the navigation bar is a search bar with the text "Edit Initial project". The main content area is divided into two sections: "SafeBoxes" and "Users".

SafeBoxes Table:

Name	Status	Lifetime	Suspension	Termination	Size	
SafeBox 13 Initial project	Running	11d 21h 58m	0d 01h 11m	N/A	S	Actions
SafeBox 16 Initial project	Running	2d 00h 04m	0d 02h 59m	N/A	S	Actions
SafeBox 21 Initial project	Suspended	0d 04h 18m	N/A	N/A	S	Actions

Users Table:

User	Role	SafeBoxes	
Test Account 2	Project User	Running: 1 Suspended: 0	Actions
Test Account	Organization Manager	Running: 2 Suspended: 1	Actions

At the bottom of each table, there is a summary row: "Total: 3 R: 2 S: 1 T: 0" for SafeBoxes and "Total: 2" for Users. There are also links for "See more" and "Add new".

The Project dashboard contains the **SafeBoxes** tile and the **Users** tile.

The option to edit the project is available by clicking **Edit <project name>** button (see [Edit project](#)).

This screenshot is identical to the one above, but with a red rectangular box highlighting the "Edit Initial project" button in the search bar at the top of the dashboard.

Safebox tile

SafeBox tile enables a user to manage SafeBoxes (open, resume, add, edit, and delete).

The description is available under the **Organization dashboard > SafeBox tile** (see [Organization management](#)).

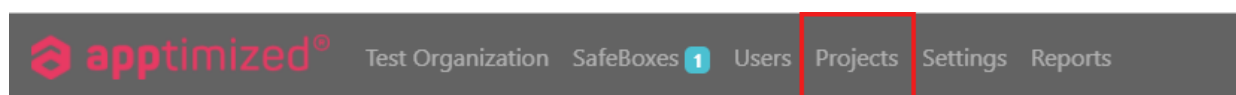

Users tile

Users tile enables to manage Users (view, edit, and monitor).

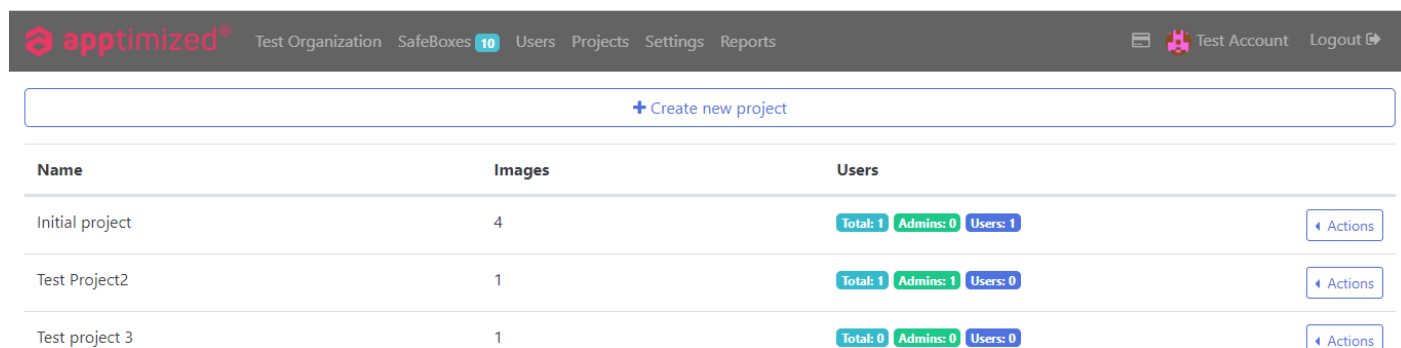

The description is available under the **Organization dashboard > Users tile** (see [Organization management](#)).

Project section

The general project section is available under the **Projects** tab.

Apptimized shows the following screen when successful:

A screenshot of the Apptimized 'Projects' page. At the top is a dark navigation bar with the Apptimized logo and tabs for 'Test Organization', 'SafeBoxes' (with a blue badge showing '10'), 'Users', 'Projects', 'Settings', and 'Reports'. On the right side of the navigation bar, there is a 'Test Account' button with a user icon and a 'Logout' button with an external link icon. Below the navigation bar is a white header area with a search bar and a '+ Create new project' button. The main content area contains a table with three columns: 'Name', 'Images', and 'Users'. The table lists three projects: 'Initial project', 'Test Project2', and 'Test project 3'. Each row has an 'Actions' button on the right. The 'Users' column for each project shows a breakdown: 'Total: 1', 'Admins: 0', and 'Users: 1' for the first project; 'Total: 1', 'Admins: 1', and 'Users: 0' for the second; and 'Total: 0', 'Admins: 0', and 'Users: 0' for the third.

Name	Images	Users	
Initial project	4	Total: 1 Admins: 0 Users: 1	Actions
Test Project2	1	Total: 1 Admins: 1 Users: 0	Actions
Test project 3	1	Total: 0 Admins: 0 Users: 0	Actions

Projects are created to structure work and properly delineate areas of responsibility for performing work tasks.

The project section is displayed in 2 blocks:

- Information block – this block contains detailed information about SafeBox projects;
- Action block – this block provides options to interact with the SafeBox projects.
